In order to process your application we will supply your personal information to credit reference agencies and fraud prevention agencies and they will give us information about you, such as about your financial history. Once you open an account with us, we will share account data with the credit reference agencies on an ongoing basis.

If false or inaccurate information is provided to us and fraud is identified, details may be passed to credit reference and fraud prevention agencies to prevent fraud and money laundering and to verify your identity.

The Credit Reference Agency Information Notice (CRAIN) describes how the three main credit reference agencies in the UK each use and share personal data. The CRAIN is available on the credit reference agencies' websites:
