- Services no longer available to new applicants

This guide relates to all individual clients using International Banking services (excluding Private Banking) and new clients offered the services set out on page three. Our interest rates can be found at [barclays.com/international/interestrates](https://www.barclays.com/international/interestrates)

Where fees and charges in this guide are quoted in sterling and debited in another currency, the sterling equivalent will be exchanged at the applicable daily exchange rate.*

To be read in conjunction with our terms and conditions, product and service specific information.

Please ensure you advise your account holding centre or Relationship Manager immediately if your personal details change.

* The Barclays foreign exchange rate will be applied on the day of the charge.

<p>For payments that you make in Euros to a SEPA country the SWIFTBIC and IBAN are key pieces of information. The SEPA countries are the EU countries and their territories (including UK Crown Dependencies), Iceland, Liechtenstein, Norway, Monaco, San Marino and Switzerland. For a SEPA payment the SWIFTBIC is optional except when the payment is made to or from a non-EEA SEPA country.</p> <p>The SWIFTBIC is mandatory for an International Payment which is not a SEPA Credit Transfer. Banks which receive payments without this information are entitled to charge a payment repair fee. If you do not provide us with this information with your payment instruction there will be an additional £7 charge (or currency equivalent) made when we send your payment. Your payment may be returned or rejected by the beneficiary bank if you fail to supply the correct details. If you do not have these details your beneficiary should be able to provide you with them.</p>	<p>£7.00 or currency equivalent</p>

For credit card charges please refer to your Barclaycard Terms and Conditions.

Debit card charges

If you use your debit card for sterling transactions in the UK, Isle of Man or the Channel Islands, depending on where your account is

Barclays will not charge you for using your debit card for sterling transactions in the UK, Isle of Man or the Channel Islands, depending on where your account is held, for making purchases, withdrawing cash, or for buying travellers' cheques or foreign currency. A small number of ATM providers may charge a transaction fee but they should tell you about this on-screen before you commit to any transaction (see table above).

If you use your debit card abroad or make a debit card payment in a foreign currency (either abroad or in the UK, Isle of Man or the Channel Islands, depending on where your account is)

We will charge you a 2.75 per cent Non-Sterling Transaction Fee for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website.

(The Non-Sterling Transaction Fee was previously referred to as “commission” and “foreign exchange charge”

Visa converts transactions into sterling using the Visa Exchange Rate on the day it processes the transaction. This date may be different to the day on which the transaction took place. Historic exchange rate information is available at www.visaeurope.com

When using your debit card abroad some merchant terminals or ATMs may offer you the choice of paying for your transaction in sterling. If you choose to pay in sterling the 2.75 per cent Non-Sterling Transaction Fee will not apply, but you should always try to find out what the merchant or ATM provider’s commission charges are and what exchange rate they are using, as overall it may be more expensive to pay in sterling.

* Some branches may require advance notice if you request cash over the counter which is above your daily cash machine withdrawal limit.

Liquidity fee

1. Scope of this fee

Unless we have told you that certain accounts are excluded, this charge applies to any accounts you hold with Barclays Bank PLC (the **Account(s)**).

Currently, cash held as part of a discretionary investment portfolio in a linked cash account will not be subject to a liquidity fee.

2. Interest Calculation

You will be charged a **liquidity fee** if the balance in any Account exceeds the relevant balance threshold for the currency of that Account (if applicable).

Details, including worked examples, of how the liquidity fee is calculated appear in the “Liquidity fee explained” section that follows.

Barclays may change the relevant liquidity fee rate or threshold in accordance with the Barclays Bank PLC Terms.

3. Payment of the liquidity fee

We will debit the liquidity fee periodically from the Account or Accounts. All payments to Barclays will be made without set off and without a deduction of any tax, duty or other charge, unless a deduction is legally required. If a deduction is legally required, the payment shall be increased so that Barclays receives the amount due to it before the deduction.

4. Compliance with tax laws

You are responsible for complying with all applicable tax laws. To the extent that any amounts due under this Banking Tariff Guide(s) are subject to a tax deduction or withholding, you must make the deduction or withholding and any payment required to be made to the relevant tax authority within the time permitted by law.

Liquidity fee explained

What does negative interest mean?

A negative interest rate occurs when a central bank for a currency reduces the nominal interest rate below zero percent in an effort to boost economic activity. This in turn results in a charge for banks to store reserves at the central bank rather than receiving positive interest income.

Why is Barclays introducing a liquidity fee?

Over the last few years several banks have resorted to applying negative interest rates or a fee to their customer's bank accounts in currencies where they are being charged by the relevant central bank.

Euro (EUR), Swiss Franc (CHF) and Danish Krone (DKK) currencies have been operating with negative interest rates for some time. This in an increased cost to Barclays to provide deposit services in these currencies and we expect that negative interest rates will persist even longer.

Barclays will apply a 'liquidity fee' to any current, currency and savings account balances that are equal to or exceed the minimum balance thresholds on selected currencies.

Under current market conditions, the currencies in scope and applicable thresholds and liquidity fees are shown in the tables below:

What are the thresholds and interest rates used to calculate the liquidity fees?

For accounts held in Euro (EUR):

Minimum balance at which the liquidity fee will apply	How we calculate the liquidity fee	Current effective liquidity fee	
EUR 5,000,000	(European Central Bank Main Refinancing Rate less 0.50%) x-1	Personal*	$(0.00\% - 0.50\%) \times -1 = 0.50\%$
	(European Central Bank Main Refinancing Rate less 0.60%) x-1	Non-personal*	$(0.00\% - 0.60\%) \times -1 = 0.60\%$

For accounts held in Swiss Franc (CHF):

Minimum balance at which the liquidity fee will apply	How we calculate the liquidity fee	Current effective liquidity fee	
CHF 5,000,000	(Swiss National Bank Key Policy Rate less 0.00%) x-1	Personal and non-personal	$(-0.75\% - 0.00\%) \times -1 = 0.75\%$

For accounts held in Danish Krone (DKK):

Minimum balance at which the liquidity fee will apply	How we calculate the liquidity fee	Current effective liquidity fee	
DKK 50,000,000	(Danish National Bank Certificates of Deposit Rate less 0.15%) x-1	Personal and non-personal	(-0.60%-0.15%) x-1 = 0.75%

*Please note that different interest rates may apply to personal and non-personal clients as set out in the tables above. Personal accounts can also include joint accounts. Non-personal accounts include, without limitation, any corporate vehicles, investment vehicles or trusts.

How is the liquidity fee calculated?

The liquidity fee accrues on a daily basis and is calculated as follows:

$$\frac{\text{Balance on the account} \times \text{liquidity fee (as set out above)}}{\text{Day Count}^{\wedge}}$$

^**Day Count** means 365 for accounts in Sterling and some other currencies and 360 for accounts in US Dollars, Euro and other currencies.

Calculation Example 1

If you have a personal Euro savings account where the balance fluctuates above and below the liquidity fee threshold, the liquidity fee will only apply for those days the account is above the minimum balance threshold. The liquidity fee is accrued daily but is debited to the account on a quarterly basis. If the balance in your account is below €5,000,000 then no liquidity fee will be calculated for those days.

Day	Euro Balance	Liquidity fee	Daily liquidity fee
01/06/2021	€4,999,999	0.00%	€0
02/06/2021	€5,000,000	- 0.50%	€69.44
03/06/2021	€3,000,000	0.00%	€0

Daily liquidity fee:

$$\frac{\text{Balance on the account (€5,000,000) x liquidity fee (-0.50\%)}}{\text{Day Count (360)**}} = \text{€69.44}$$

Calculation Example 2

If you have a non-personal account holding EUR €5,000,000, the liquidity fee you will pay is €30,416.67 pa as shown below:

Euro Balance	Liquidity fee	Annual Liquidity fee
€5,000,000	-0.60%	€-30,416.67

For calculation purposes we have assumed a flat balance in the account for the full year.

Annual liquidity fee:

$$\frac{\text{Balance on the account (€5,000,000) x liquidity fee (-0.60\%) x 365 days}}{\text{Day Count (360)**}} = \text{€-30,416.67}$$

** Euro is calculated using a Day Count of 360 days per year

When will liquidity fee be deducted from my account?

For each quarter, the liquidity fee will be debited from your account fourteen days after a pre notification statement has been sent out to your correspondence address.

Overdrafts and Emergency Borrowing – sterling accounts

Arranged overdrafts

Each arranged overdraft application is considered on an individual basis. If you have arranged your overdraft with us in advance you will only pay a simple daily fee on the overdrawn balance.

You can overdraw up to your agreed limits at any time but you should not be permanently overdrawn by the whole amount.

Overdraft Daily Fee

With the daily fee, you can quickly and easily work out how much you'll pay for your arranged overdraft. The amount you'll pay will depend on how much you borrow on your arranged overdraft and will be applied to your account(s) monthly.

How much are the arranged Overdraft Daily Fees?

Account in credit	Account overdrawn up to £15	Account overdrawn up to £1,000	Account overdrawn up to £2,000	Account overdrawn over £2,000
No Overdraft Daily Fee	Buffer – no Overdraft Daily Fee	75p a day	£1.50 a day	£3 a day

Representative Example:

If you use an arranged overdraft of **£1,200** then we'll charge you **£1.50** a day when you use it.

Your fees will be worked out daily, based on the balance at the end of each day. Fees will be added to your account monthly and we'll always let you know the cost at least 14 days before they're charged.

Emergency Borrowing

Emergency Borrowing is an extra amount that you can apply for if you occasionally exceed your standard arranged overdraft limit. It costs £5 a day and you only pay if you use it.

The fee is capped at seven days each statement month, so using Emergency Borrowing will never cost you more than £35 a month. Once you have reached the seven day cap, you'll be charged the Overdraft Daily Fee.

Unpaid Transaction Fee

These are charges you can avoid by planning and by managing your account carefully.

When you ask us to make a payment, you must have the money (including any available overdraft, Emergency Borrowing or any buffer we give you) in your account to cover the payment at 3pm on the day the money is due to go out.

If we refuse a payment due to lack of funds, then we'll charge you an Unpaid Transaction Fee of £ 8 per day for our service of considering the requested payment and, where necessary, dealing with the other bank.

Fee	Amount
Unpaid Transaction Fee	£8 per day

You will not be charged more than one Unpaid Transaction Fee in any one working day no matter how many items are refused due to lack of funds, up to a maximum of £32 in a monthly charging period.

Buffers

Your overdraft benefits from Fee free £15 Buffers to help you avoid paying a higher fee.

So, if you go overdrawn by £15 or less, you won't pay a fee. Also, if you exceed your arranged overdraft and go into your Emergency Borrowing by £15 or less, you won't pay the £5 Emergency Borrowing Fee. Instead, you'll pay the Overdraft Daily Fee.

And, if you exceed your Emergency Borrowing limit and a debit payment of £15 or less comes into your account, you won't pay the Unpaid Transaction Fee. Instead, you'll pay the £5 Emergency Borrowing Fee.

Only one type of fee a day

You will only ever be charged one type of fee a day.

So, if you've reached your arranged overdraft limit, exceeded your Emergency Borrowing limit and have had a payment refused due to lack of funds on the same day, we'll only charge you the highest fee – in this case the £8 Unpaid Transaction fee. There would be no overdraft Daily Fee or Emergency Borrowing Fee for that day.

Monthly cap on unarranged overdraft charges

1. Each current account will set a monthly maximum charge for:
 - going overdrawn when you have not arranged an overdraft; or
 - going over/past your arranged overdraft limit (if you have one).
2. This cap covers any:
 - interest and fees for going over/past your arranged overdraft limit;
 - fees for each payment your bank allows despite lack of funds; and
 - fees for each payment your bank refuses due to lack of funds.

This is a standard definition of the monthly maximum charge that all banks are required to use. It doesn't include:

- charges for using an arranged overdraft
- charges for additional features, e.g. the cost of Packs for customising your account

Note: The monthly charging period for these fees closes two days before we issue your statement.

	Barclays Current Account	Barclays Current Account with Emergency Borrowing
Unpaid Transaction Fees	£8 per day	£8 per day
Maximum no of Unpaid Fees per charging period	4 (£32)	4 (£32)
Emergency Borrowing Daily Fee	n/a	£5 per day
Maximum No. of EB Fees Per charging period	n/a	7 (£35)
Monthly Maximum Charge	£32	£67

How it all works

Here's a summary of how it works if you start to use your arranged overdraft and Emergency Borrowing, and if you exceed your limits.

Before you pass into each different zone, there'll be a Fee-free Buffer of £15, so you won't be charged immediately.

Remember, you'll only ever pay one charge a day – the highest.

	Charging zone	You pay	Fee-free £15 Buffer
Account in credit	£0	No daily fee	Applies here
Arranged overdraft	Up to £1,000 Up to £2,000 Over £2,000	75p a day £1.50 a day £3 a day	
Emergency Borrowing	An extra agreed amount	£5 a day Up to £35 a month, however much it is used	Applies here
Limits exceeded – unarranged overdraft		£8 per day for any returned transactions (max £32 per monthly charging period)	Applies here

Overdrafts – euro and US dollar

Arranged overdrafts

An arranged overdraft is available on US dollar or euro International Bank Account holders, subject to status. Each arranged overdraft application is considered on an individual basis. If you have an arranged overdraft you will only pay interest at the arranged rate on the overdrawn balance.

You can overdraw up to your agreed limits at any time but you should not be permanently overdrawn by the whole amount. We are entitled to withdraw your arranged overdraft at any time and require you to re-pay the amount outstanding under it.

Unpaid Transaction Fee

These are charges you can avoid by planning and by managing your account carefully.

When you ask us to make a payment, you must have the money (including any available overdraft, Emergency Borrowing or any buffer we give you) in your account to cover the payment at 3pm on the day the money is due to go out.

If we refuse a payment due to lack of funds, then we'll charge you an Unpaid Transaction Fee of £ 8 per day for our service of considering the requested payment and, where necessary, dealing with the other bank.

Fee	Amount
Unpaid Transaction Fee	£8 per day

You will not be charged more than one Unpaid Transaction Fee in any one working day no matter how many items are returned unpaid.

Overdraft charges

Account	Interest rate	Equivalent annual rate typical (variable)
\$ International Bank Account* overdrawn up to arranged overdraft limit	8% per annum	8.2%
\$ International Bank Account* overdrawn without arranged overdraft limit or beyond arranged overdraft limit	0% per annum	0%
€ International Bank Account* overdrawn up to arranged overdraft limit	9% per annum	9.3%
€ International Bank Account* overdrawn without arranged overdraft limit or beyond arranged overdraft limit	0% per annum	0%

* Previously known as International Cheque Account and International Premier Cheque Account.

Other information

Charging dates (applicable to the sterling bank accounts applying the Daily Overdraft Fee and Emergency Borrowing charges and International Bank Account)

We will apply our fees and interest charges as follows:

- Debit interest, Daily Overdraft and Emergency Borrowing Fees are calculated on the daily statement balance.
- A Reserve Usage Fee or Emergency Borrowing charge is incurred on the next working day after the payment that triggers this fee is presented for payment.
- Unpaid Transaction Fees are incurred the day an item is refused due to lack of funds.
- We will write to you each time you incur either a Reserve Usage Fee or Emergency Borrowing Fee or an Unpaid Transaction Fee and we will tell you the value of the fee(s) incurred.
- You will be notified of any debit interest, Reserve Usage Fees, Daily Overdraft, Emergency Borrowing Fees or any Unpaid Transaction Fees that you incur during a month in your next monthly statement.
- The monthly charging period always closes two days before the statement issue date.
- You will be given at least 14 days from the date of your statement before either any debit interest, Reserve Usage Fees, Daily Overdraft Fees, Emergency Borrowing Fees or any Unpaid Transaction Fees that you have incurred during the preceding month are debited from your bank account.
- Any debit interest, Reserve Usage Fees, Daily Overdraft Fees, Emergency Borrowing Fees or any Unpaid Transaction Fees or that you incur during a month will be debited from your bank account within 21 days from the date of the statement notifying you that any such interest or fees have been incurred.

Barclays is a responsible lender, and when considering your application for borrowing, your financial circumstances will be appraised. Remember, should you run into any difficulties please contact us immediately. For all credit facilities a written quotation can be requested from your Barclays International Banking Centre.

Direct debits

A direct debit is an instruction from a client to their bank or building society authorising an organisation to collect varying amounts from their account, as long as the client has been given advance notice of the collection amounts and dates.

Direct debits are used for collecting a variety of regular and occasional bills, including utility payments, insurance, council tax, mortgages, loans and subscriptions. The Direct Debit Scheme protects you and your money by means of the Direct Debit Guarantee.

This Guarantee is offered by all banks and building societies that take part in the Direct Debit Scheme. The efficiency and security of the Scheme is monitored and protected by your own bank or building society. If the amounts to be paid by direct debit or the payment dates change, the organisation collecting the payment will notify you normally ten working days in advance of your account being debited or as otherwise agreed.

If an error is made by the company or your bank or building society, you are guaranteed a full and immediate refund from your branch of the amount paid. You can cancel a direct debit at any time by writing to your bank or building society. Please also send a copy of your letter to the originator/company. Further information can be obtained from www.directdebit.co.uk

Faster Payments Service (FPS)

FPS is an electronic payments clearing scheme for sending money within the UK. It will allow participating banks to provide their customers with a service to send low value electronic payments that will reach beneficiaries' accounts the same day, with the majority of payments being completed within two hours. FPS will run alongside the existing CHAPS payment scheme in the UK and will operate 24 hours a day, 7 days a week, and 365 days a year.

The Service is available within Barclays International Banking for telephone, internet, written, faxed and face-to-face payment instructions.

- Where the receiving organisation operates on a collection account basis e.g. credit card accounts or utility companies, the payment may not be credited to a specific account on the same day.

A list of banks that participate in the FPS can be found on

www.ukpayments.org.uk/faster_payments_service

SEPA Credit Transfer (SCT)

The Single Euro Payments Area (SEPA) is a major initiative to create a single integrated payments system for euro payments across the SEPA countries (EU countries and their territories (including UK Crown Dependencies), Iceland, Liechtenstein, Norway, Monaco, San Marino and Switzerland) to allow you to make domestic and cross-border euro payments within Europe

The SEPA Credit Transfer service is available to customers from our London, Jersey, Guernsey, Isle of Man, Gibraltar, Switzerland and Cyprus centres. To send payments by SEPA Credit Transfer(SCT) the payment must:

- be in euros
- be sent to a bank in a SEPA country which is a member of the SCT scheme
- include a valid IBAN for the beneficiary's account
- include a SWIFTBIC if the payment is to a non-EEA country

If you request a SCT and we are unable to route it via SEPA we will send it as an international payment.

Standing orders

With a standing order you make the request for a regular payment, rather than the organisation taking the payment. If you want to amend or cancel your original instruction you can do so at any time by contacting us up to the working day before the payment is due to be taken from your account. Payments made by standing order are subject to a payment limit of £100,000 and will normally arrive the same day providing the recipient's account accepts Faster Payments.

Lines are open 24 hours a day, 7 days a week except 25 December when the lines are closed. Calls may be recorded so that we can monitor the quality of our service and for security purposes.

Glossary of terms

To make it easier for customers to understand what fees apply for services they use, Banks and Building Societies are using ‘standardised terms’. These are intended to help customers compare the cost of service more easily. The standardised terms and their meaning are set out below.

Term	Definition
Maintaining the account	The account provider operates the account for use by the customer.
Arranged overdraft	The account provider and the customer agree in advance that the customer may borrow money when there is no money left in the account. The agreement determines a maximum amount that can be borrowed, and whether fees and interest will be charged to the customer.
Unarranged overdraft	The customer borrows money when there is no money left in the account (or when the customer has gone past the arranged overdraft limit) and this has not been agreed with the account provider in advance.
Refusing a payment due to lack of funds	The account provider refuses a payment from the customer’s account because there is not enough money in it (or it would take the customer past their arranged overdraft limit).
Allowing a payment despite lack of funds	The account provider allows a payment to be made from the customer’s account although there is not enough money in it (or it would take the customer past their arranged overdraft limit).
Direct debit	The customer permits someone else (recipient) to instruct the account provider to transfer money from the customer’s account to that recipient. The account provider then transfers money to the recipient on a date or dates agreed by the customer and the recipient. The amount may vary.
Standing order	The account provider makes regular transfers, on the instruction of the customer, of a fixed amount of money from the customer’s account to another account.
Sending money within the UK	The account provider transfers money, on the instruction of the customer, from the customer’s account to another account in the UK.
Sending money outside the UK	The account provider transfers money, on the instruction of the customer, from the customer’s account to another account outside the UK.
Receiving money from outside the UK	When money is sent to the customer’s account from an account outside the UK.
Cash withdrawal in pounds in the UK	The customer takes cash out of the customer’s account in pounds at a cash machine, bank or Post Office in the UK.
Cash withdrawal in foreign currency outside the UK	The customer takes cash out of the customer’s account in foreign currency at a cash machine or, where available, at a bank outside the UK.
Debit card payment in a pounds	The customer uses their direct debit to make a payment in pounds. This can be in a shop, online or over the phone.
Debit card payment in a foreign currency	The customer uses their debit card to make payment in foreign currency. This can be in a shop, online or over the phone.
Cancelling a cheque	The customer ask the account provider to cancel a cheque that the customer has written.
